 4. Licensed PMR walkie talkies, display and limited keypad, each £33.00
 5. Licensed PMR walkie talkies, display and full keypad, each £36.00
 6. Digital walkie talkies, all with or without keypad/display, each £38.00 **** See below
- *** Please note – only mechanical repairs are carried out on digital radios, such as channel, on/off, and PTT switch replacement. Antenna socket, display, speaker and housing replacement can also be done. Housings and displays are not covered by the fixed price repair. Prices exclude return shipping.

Repairs to six-way walkie talkie chargers from £40.00.

Certain Headsets can be repaired, please enquire.

Please use the "Repair Request Form" that is available on the website.

The prices for radios are for electronic repairs only. (Radios 1 - 5 above) If a new housing is required, we will contact you and quote prior to fitting. Fixed Price Repair excludes antenna, battery, metal chassis and charging equipment. Some radios may not be repairable due to liquid ingress, software/hardware issues and PC board damage. I follow a no fix, no fee policy, so if your radio is not repairable by me you will only have to pay the return shipping fee to get the equipment back.

Please include Mike Ashby Comms in the first line of the above address. A number of businesses operate from the above site and reception needs to know who the package must go to.

UK (Mainland) return shipping is £9.95 per consignment if repairs are under £250.00 and free if repairs are over £250.00. For outside the UK Mainland and EU please contact me for pricing. NB: Please note that where possible, kindly ship radios without batteries (bodies only)
